

# Advertise in the online publication most responsive to new developments in biofluidics research.

Among the top 10 high-impact journals in fluids and plasma diagnostics,<sup>\*</sup> *Biomicrofluidics* (BMF) rapidly disseminates microfluidic techniques with medical, biological, pharmaceutical, environmental, and chemical applications. This journal focuses on high quality articles and defines challenges unique to the field of biomicrofluidics. Issues include Special Topics and Proceedings of Major Conferences.

## BANNER ADVERTISING

Maximum exposure can be achieved with a banner ad on *BMF* (<http://bmf.aip.org>). This highly trafficked site ensures tremendous visibility for your products. Banner size is 120 x 240 pixels. Files accepted are .gif, .jpeg, and flash files up to 30 kilobytes.

## E-NEWSLETTER ADVERTISING

Released to over 5,150 *BMF* contributors quarterly, additional exposure can be achieved by placing a banner ad. Banner size is 120 x 600 pixels. Files accepted are .gif and .jpeg. See table for rates.

## E-MAIL TOC ALERTS

Advertise on *BMF*'s quarterly TOC Alert page and subscribers will link to your ad, providing you with even greater exposure to the physics community. Top and bottom sponsorships are available. Banner size is 728 x 90 pixels. Files accepted are .gif and .jpeg. See table for rates.
